

**SKODA**

**Scala**

## A Brave New World

The Škoda Scala is a bold step forward for the brand. Its sophisticated shapes create a striking play of light and shadow that blend timeless design with sophisticated character. Its dynamic silhouette is embraced by a practical spirit that makes the car the perfect partner for every stage of life.

The Scala range also offers abundant technologies uncommon in the compact hatchback segment. Advanced assistance systems and a new generation of infotainment mean you can stay safe without compromising on fun, on every journey.

That's Simply Clever. That's Škoda.

**7 YEAR**  
**WARRANTY\***  
**UNLIMITED KM**

\*Conditions and exclusions apply, see <https://www.skoda.com.au/owners/warranty>. Your rights under this warranty are provided in addition to, and in some cases overlap with, consumer guarantees under Australian Consumer Law and do not limit or replace them.

## Style with Functionality

The Scala Ambition brings you an 85TSI engine, the essential tech/safety features and its stylish interior, all at an affordable entry price.

### Exterior design

The sleek exterior look features striking 18" VEGA Silver alloy wheels, privacy glass and an extended tailgate glasshouse.

### Interior features

The stylish interior of the Ambition combines plush grey fabric upholstery with a contrasting silver dash, complemented by glossy black hot-stamping treatments, a leather sports steering wheel and the 8" Bolero infotainment system for added appeal.

Scala Signature shown

Signature

## Exterior Design

Good design agrees with the heart and the head. Like in the Scala. This compact hatchback with a sporty spirit represents the next phase of Škoda's design language, while emphasising the strong relationship this brand has with its own tradition and history.

### Side view

Strong side character lines enhance the Scala's dynamic exterior and reflect Škoda's current design language. The impression is further strengthened by the chrome effect finish applied to the window surrounds, which provide the perfect contrast to the privacy glass and further accentuate the side profile.

### Rear view

The elongated tailgate glasshouse creates a wide and spacious look to the rear of the Scala and as a badge of honour, the Škoda name proudly embraces the 5th door, highlighting the confidence of a brand that has transformed its design philosophy.

### Front view

Distinguished exterior features like the front grille or sharply cut headlights in the shape of an arrow give the car an authentic look with a strong identity. Crystalline elements etched on the headlights allude to Czech crystal craftsmanship, a declaration of the brand's proud lineage.

## Remain in the Spotlight

Light doesn't just illuminate. It inspires. The unique headlights and slim long rear lights make the car instantly recognisable. The crystalline light design with integrated LEDs represents a perfect blend of Czech crystal tradition and modern technology.

### Full LED headlights

Scala's visually pleasing full LED headlights, provide optimum visibility and add to its bold exterior. The integrated Adaptive Front-light System (AFS) enhance the lighting capability by automatically changing the geometry of the headlight beam in line with steering direction inputs by the driver.

Only available on Signature

### LED rear lights

The Scala features horizontally designed rear lights where the familiar C-shape illumination has been updated with a modern twist. This original light signature is accompanied by perfect functionality.

## Travel Comfort Class

Whatever comfort means to you, you'll find it right inside the Scala. Travel in total ease with smart details like USB-C outlets and a sophisticated infotainment system with in-built satellite navigation. In other words, unmatched comfort class.

Satellite navigation only available on Signature

### Heated seats / USB-C connectivity

in cold weather, your friends and family will really appreciate the inclusion of heated front and rear seats with a separate control function for the rear seats allowing an optimised heat setting for all occupants. Additionally, all occupants can stay connected and keep their digital devices charged thanks to the inclusion of four USB-C outlets, two of which are located in the second row.

Heated seats only available on Signature

### Power folding mirrors

The power folding external side mirrors automatically fold in upon locking the car, and conveniently unfold when unlocked, ensuring protection against damage from passing objects.

### Convenience key

With the convenience key, you can lock/unlock your car and start or stop the engine without the need of physically touching your key.

Only available on Signature

### Power adjustable driver's seat

For the optimal seating position, we offer you the power adjustable driver's seat with lumbar support.

Only available on Signature

## It's What's on the Inside That Counts

Stepping inside the Scala is equally impressive. The well-appointed interior radiates with sleek design cues, exceptional spaciousness and cutting-edge digital technology.

### Amundsen 9.2" infotainment

Attractive design is accompanied by perfect functionality. Positioned high up on the dashboard, in the driver's immediate field of vision, the intuitive Amundsen infotainment system with in-built satellite navigation, displays all turn-by-turn directions in stunning clarity on the 9.2" display.

Only available on Signature

### Ambient lighting

Make your space more cosy and comfortable with LED ambient lights running along the dashboard.

Only available on Signature.

### Virtual cockpit

The Scala's exquisite Virtual Cockpit features an impressive 10.25" display to relay key vehicle, safety and infotainment information such as turn-by-turn navigation. You can even change the layout (view), via the steering wheel mounted controls, from a selection of five layouts (extended view shown).

### Style and functionality

The Scala's interior is furnished with quality materials and great craftsmanship. The Suedia/leather appointed upholstery<sup>4</sup> of the Signature combined with chrome and alloy accents enhance the cabins décor and provide the car its own unique personality. Attractive design is also accompanied by perfect functionality. The dashboard as well as panels in the door have a special soft surface resembling crystalline structures.

<sup>4</sup>Leather Appointed seat upholstery have a combination of genuine and artificial leather, but are not wholly leather.

## Wireless Connectivity

### Scala Featuring Wireless Apple CarPlay® & Android Auto™\*

Combining our smart car with your smartphone was always going to be a good idea. Scala featuring wireless Apple CarPlay® & Android Auto™\* seamlessly connects compatible apps from your smartphone to your Škoda. So, whether you want to listen to music or receive turn-by-turn directions, you can do it all without touching your phone.

+ Scala featuring wireless Apple CarPlay® & Android Auto™ is compatible for selected apps with the latest smartphone versions of IOS and Android, active data service required., optional connection cable sold separately. Wireless Apple CarPlay® & Android Auto™ connectivity only available on Signature.

### Wireless charging / USB-C connectivity

The Scala comes with an enlarged phone box which creates an amplified signal for your mobile device and, at the same time, wirelessly charges your phone while driving. This compartment is not only easily accessible, but is also suitable for large display devices. Two USB-C ports located in the centre console allow you to easily connect your external devices without the need for dongles or adapters.

Wireless charging only available on Signature

## Smart Features

Overseas Model shown.

### Power tailgate

It opens and closes at the mere touch of a button on the remote control or in the driver's door, especially handy in unfavorable weather. You can also adjust the upper door position to suit your needs. A button for closing the 5th door is also located on the door itself.

Power Tailgate available as an optional extra on Ambition. Standard on Signature.

The Scala is equipped with a range of Smart Features that can handle all your needs. From loading your luggage or folding your towing device to adjusting the interior space to find room for big and small things, these thoughtful features take the headache out of travelling.

### Umbrella storage compartment

An ingenious compartment integrated into the driver's door is designed to let water, retained from wet umbrella's, to drain away from the car. An original complimentary Škoda umbrella is also provided.

### Liquid reservoir

You will never spill a single drop when refilling the washer fluid. The liquid reservoir is not only easily accessible, but also has an integrated funnel.

## Don't Pack Light

### Luggage hooks

The robust luggage hooks allow for secure and organised storage of bags and other items whilst also creating more space in the luggage compartment.

Don't think twice about what to take or not. The generous luggage compartment capacity of 467 litres, and 1,410 litres after folding down the rear seats, puts this car at the top of its class. In addition there are many options for ensuring your goods stay in place, without damaging the car.

### Double-sided luggage mat

A multi-purpose protective layer for the luggage space, choose from the elegant fabric side up for everyday use or easily switch over to the washable rubber side when transporting items likely to cause a mess.

Only available on Signature.

## We'll Watch Your Back

Embark on any adventure with complete confidence. The Scala comes with plenty of safety assist technologies to support your driving, helping you with parking and even preventing collisions, and or reducing the severity.

### Side Assist<sup>1\*</sup>

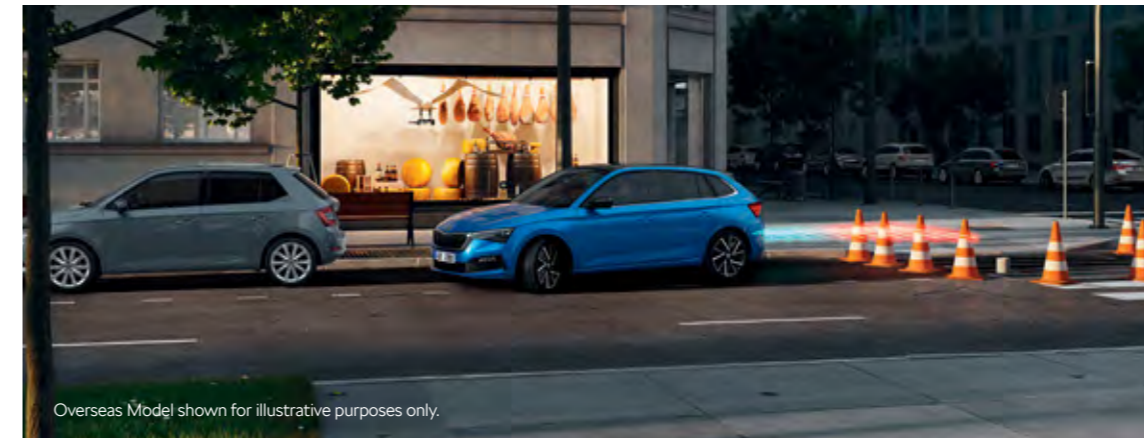

Using radar sensors in the rear bumper, Side Assist monitors the area beside and behind your car to detect other vehicles and cyclists up to 70m away. Upon entry of the detection zone, the system provides a visual alert to warn the driver of a potentially hazardous situation.

<sup>1</sup> Safety technologies are designed to assist the driver, but should not be used as substitute for safe driving practices.

### Rear Traffic Alert<sup>1\*</sup>

Utilising the same rear bumper integrated sensors of the Side Assist system, the Rear Traffic Alert function helps you reverse safely from parking spaces with poor visibility by scanning for objects approaching the rear. Upon detection, an acoustic alert is issued, and if required to avoid collision, the brakes applied thanks to the Manoeuvre Braking Assist feature.

### Manoeuvre Braking Assist<sup>1</sup>

Minimising the risk of collision with objects in front (Signature only) and behind the Scala, the Manoeuvre Braking Assist system, operational at speeds below 8 km/h, uses the parking sensors to scan for potential objects. Upon detection of an object, the system will proactively engage the brakes to avoid collision.

### Rear Parking Sensors<sup>1</sup>

Parking the Scala is easier and safer with the rear parking sensors integrated in the rear bumper. The system monitors the area behind the vehicle for any obstacles when reversing, and if detected provides and acoustic alert to warn the driver of impending danger.

Overseas Model shown for illustrative purposes only.

### Front Assist – Predictive Pedestrian/Cyclist<sup>1</sup>

The front assist system, using a radar device situated in the front grille, is designed to monitor the distance of the Scala to vehicles ahead. If the system detects sudden braking by the preceding vehicle it reacts, applying the emergency braking mechanism. The system, depending on travelling speed, can also detect pedestrians and cyclists.

<sup>1</sup> Safety technologies are designed to assist the driver, but should not be used as substitute for safe driving practices.

Overseas Model shown for illustrative purposes only.

### Park Assist<sup>1</sup>

Minimise the hassle of parking in tight spots with Park Assist. This feature utilises the front and rear parking sensors to scan the desired parking space (parallel and perpendicular) before automatically parking the vehicle for you.

Only available on Signature.

Overseas Model shown for illustrative purposes only.

### Adaptive Cruise Control<sup>1</sup>

Using the radar device situated in the front grille, this enhanced cruise control system, which operates up to speeds of 210 km/h, regulates the vehicles set speed according to the vehicle ahead and maintains a safe gap based on the selected distance parameter.

<sup>1</sup> Safety technologies are designed to assist the driver, but should not be used as substitute for safe driving practices.

Overseas Model shown for illustrative purposes only.

### Lane Assist with Adaptive Lane Guidance<sup>1</sup>

Operating at speeds above 65 km/h, Lane Assist with Adaptive Lane Guidance can help to keep the Scala centred within the lane in which it is travelling.

<sup>1</sup> Safety technologies are designed to assist the driver, but should not be used as a substitute for safe driving practices.

# Hidden Bodyguards

In extreme situations, where the driver cannot actively influence the outcome, the car's passive safety elements take over – like the airbags.

**Side curtain airbags**  
Upon activation, head airbags create a wall protecting the front and rear occupants against head injury.

**Front airbags**  
While the driver airbag is enclosed in the steering wheel, the passenger airbag is located in the dashboard.

**Front side airbags**  
These two airbags protect the pelvis and chest of the driver and front passenger in the event of side collision.

**Knee airbag**  
This airbag, which is located under the steering wheel column, protects the driver's knees and shins.

Overseas model shown.

# Powerful, Not Power Hungry

## Engines

The Scala range offers customers a choice between two powertrains, the fuel efficient 85 kW petrol engine on the Ambition or the more powerful 110 kW petrol engine exclusive to the Signature providing excellent acceleration and high torque.

## Wheels & Upholstery

18" VEGA Silver alloy wheels  
(Standard on Ambition and Signature)

Fabric upholstery  
(Standard on Ambition)

Black Suedia/leather/  
leatherette upholstery<sup>4</sup>  
(Standard on Signature)

<sup>4</sup> Leather appointed seat upholstery have a combination of genuine and artificial leather, but are not wholly leather.

## Ambition & Signature Colours

## Welcome to Care-Free Ownership

Škoda Care is about making sure that same level of attention to detail remains long after you've made your purchase, making owning a Škoda as fantastic as buying one.

**7 YEAR  
WARRANTY<sup>^</sup>  
UNLIMITED KM**

After getting behind the wheel of a Škoda, it's not hard to see why they're so beloved by their owners. Quite simply, Škoda vehicles are made to be driven and we want to keep your journey a long and happy one. And the way it works is simple. Škoda Australia provides a 7 Year/Unlimited Kilometre Warranty<sup>^</sup> on all new vehicles. Every new Škoda vehicle includes one year Škoda Assist<sup>±</sup> (Roadside Assistance), from the warranty start date. To thank you for your loyalty, complimentary Service Initiated Roadside Assistance (SIRA for short) will be activated if the vehicle is returned to an authorised Škoda Dealer for scheduled service, as per the Škoda Service Schedule milestones. For more information and eligibility, please visit [www.skoda.com.au/owners/roadside-assistance](http://www.skoda.com.au/owners/roadside-assistance)

Škoda Service Pricing

No hidden expenses, no nasty surprises. Škoda Service Pricing applies to the first 6 scheduled services for your Škoda, occurring every 12 months/15,000 km (whichever occurs first).\*

Genuine Parts

You don't have to be a genius (AKA a Škoda technician) to know that non-genuine parts aren't as good as using genuine ones. Our philosophy towards fixing your car is simple; the parts we use are identical to the parts used in the production of your car originally. Genuinely. And with a nationwide, two year, unlimited kilometre warranty<sup>^</sup> on all genuine parts, peace of mind comes easily too.

Service Packs

Why worry about handling payment of your services on an ad-hoc basis when you already know you need to get them annually? Conveniently, you can save time by pre-paying your servicing with a 7 Year/105,000km (whichever occurs first) or a 5 year/75,000kms (whichever occurs first) Škoda Service Pack at any of our Škoda dealers. That way you can simply book a service time that suits you, and the costs are already covered. your car, serviced at your convenience.

<sup>^</sup>Conditions and exclusions apply, see [www.skoda.com.au/owners/warranty](http://www.skoda.com.au/owners/warranty). Your rights under this warranty are provided in addition to, and in some cases overlap with, consumer guarantees under the Australian Consumer Law and do not limit or replace them. <sup>±</sup>Škoda Assist (Roadside Assistance) Conditions and exclusions apply, see <https://www.skoda.com.au/own/roadside-assistance>. \*Škoda Service Pricing is current as at the date the customer obtains a price from the Škoda Service Price Calculator or from a participating authorised Škoda Dealer and is subject to change without notice. Customers are advised to confirm current pricing on the Škoda Service Pricing Calculator or with an authorised Škoda Dealer on the day of each Scheduled Service. Škoda Service Pricing is available at participating Škoda dealers on Fabia, Yeti, Octavia, Rapid, Scala, Kamiq, Roomster, Superb, Karoq and Kodiaq models first sold by an authorised Škoda dealer on or after 1st July 2015. Škoda Service Pricing applies to the cost of standard items in each of the first 6 standard scheduled services of your vehicle which are scheduled to occur at every 15,000 km/12 month interval (whichever occurs first). Exclusions and conditions apply. For details on pricing, items not included in the Service Price and for full terms and conditions click here. Škoda Australia reserves the right to at any time modify or discontinue the Škoda Service Pricing program. <sup>^</sup>Please check your engine code in your service or owner manual (if you have already purchased the vehicle) or confirm your engine code with your Škoda dealer prior to vehicle purchase (if you have not yet purchased the vehicle). Škoda Service Packs are available from authorised Škoda Dealers or online from Škoda Australia official website, for all models and covers standard items as contained in each scheduled service interval only. The New Car Service Packs can only be purchased prior to the first scheduled service and up to 15,000 km/12 months (whichever occurs first). The timeframe takes effect from when the vehicle is first reported in our system as 'sold'. The Used Car Service Packs can be purchased after the first 15,000 km/12 months scheduled service. The Top-up Service packs can be purchased based on the eligibility criteria as detailed in the terms and conditions. Discount structure varies by model. For details of what is not included in a scheduled service, please refer to the program terms and conditions available here. #For more information and eligibility, please visit <https://www.skoda.com.au/promotions/promotion-detail/service-maintenance-subscription-plan>.

## Remove Any Doubt with Škoda Choice.

Škoda Choice<sup>±</sup> is a flexible finance program that allows you to guarantee your vehicle's minimum future value<sup>±</sup> at the time of purchase, giving you peace of mind knowing the value of your Škoda is secured.

- ✓ Freedom to tailor your contract term and kilometre allowance to suit your lifestyle.
- ✓ Fixed interest rate for the life of your Loan with no account keeping fees.
- ✓ At the end of your Škoda Choice contract you can select from three simply clever options – trade-in, retain or return.
- ✓ Opportunity to upgrade your Škoda more often, enjoying the latest model with the best innovations and technology.

### How it works

- Step 1** Choose your favourite Škoda model.
- Step 2** Choose your preferred term\* of 12, 24, 36, 48 or 60 months, and an annual km allowance.
- Step 3** At the end of your chosen term, select from one of the three end of term options:

#### Trade in

If you wish to trade-in your Škoda for a new vehicle, all you need to do is return it to the dealership. If the trade-in value is higher than the Guaranteed Future Value<sup>±</sup>, you can use this equity towards your new vehicle.

#### Retain

If you prefer to retain your Škoda, simply let us know. Provided that you also meet the relevant payment obligations under your contract, you can purchase your vehicle outright for the Guaranteed Future Value amount locked in at the start of the contract<sup>±</sup>. Then your Škoda is yours to keep. Or you can choose to refinance your balloon at the end of the term.

#### Return

All you need to do is hand your car back and, if the vehicle meets the agreed kilometre and fair wear and tear requirements<sup>±</sup>, you will have no more to pay.

For more information on our Guaranteed Future Value program, visit <https://www.skoda.com.au/finance/skoda-choice>

<sup>±</sup>Škoda Choice has a Guaranteed Future Value (GFV) which is the minimum value of your vehicle at the end of your finance contract as determined by Škoda Financial Services (SFS) ABN 20 097 071 460, Australian Credit Licence 389 344. If you decide to return your vehicle to SFS at the end of your term, SFS will pay you the agreed GFV, which will be put against your final payment subject to fair wear and tear conditions and agreed kilometres being met. At the end of your term, you can elect to (1) trade-in; (2) return; or (3) retain the vehicle by paying the GFV owed to SFS at the end of the loan term after all repayments have been made. You will be liable for any loan contract deficit and additional charges apply if you exceed the nominated kilometre allowance and/or the vehicle is not in an acceptable condition. Available on new, demonstrator and Certified Pre-owned Škoda vehicles. To see if this product is right for you, please see our Target Market Determination on our website and/or seek independent advice. \*Subject to a credit assessment and SFS lending criteria. Fleet, government, rental and used car buyers, hire car and chauffeur companies excluded.

Overseas Model shown for illustrative purposes only.
