

SKODA

Fabia Monte Carlo

Monte Carlo is a registered trademark by Monaco Brands

Add Some Flair to Everyday Life

In order to prove itself over and over again on race tracks like the legendary Monte Carlo Rally, Škoda was usually in a bit of a hurry so to speak. For the Fabia Monte Carlo version, Škoda took more time.

The compact dimensions, roominess and economic, yet agile running make this car a perfect urban transport option, fulfilling your everyday needs with natural strength and ease. Together with the black exterior details, the Fabia Monte Carlo catches the eye on any track. And as in every Škoda there is even more to marvel at with the Simply Clever ideas that turn the most stylish ride into the most comfortable one.

That's Simply Clever. That's Škoda.

^Conditions and exclusions apply, see <https://www.skoda.com.au/owners/warranty>. Your rights under this warranty are provided in addition to, and in some cases overlap with, consumer guarantees under Australian Consumer Law and do not limit or replace them.

Not to be Missed on Any Road

The Fabia Monte Carlo radiates strength and confidence through its striking design. Black exterior highlights add to the vehicles distinguished look and express a sophisticated, sporty character.

Black front and side

Glossy black elements feature on the front grille, front bumper spoilers, door sill covers and external side mirror caps for a striking look.

Monte Carlo is a registered trademark by Monaco Brands

Stylish rear

The rear features glossy black finishes to the badging on the 5th door, rear spoiler and diffuser. The Monte Carlo's dynamic appearance is further accentuated by the rear privacy glass, which also provides an added layer of protection from the sun in warmer weather.

Monte Carlo badge

The uniqueness of the car is emphasised by the Monte Carlo badge on the front fenders, which recalls the success of Škoda vehicles at this legendary rally.

Monte Carlo is a registered trademark by Monaco Brands

Enter an exclusive club

Stepping inside the Fabia Monte Carlo makes you feel exceptional. The spacious interior features high quality materials and unique possibilities in terms of design, technology and comfort. With plenty of attractive features for your comfort and safety, including sports comfort front seats in premium cloth, a sports steering wheel, the 10.25" virtual cockpit, LED ambient lighting and advanced safety assist systems make this car fun to drive. When inside you'll never step out of your comfort zone

Sports steering wheel

The sporty style of the Fabia Monte Carlo's interior is enriched by the three spoke flat bottom steering wheel in black perforated leather, which is decorated with the Monte Carlo plaque and chrome elements for added visual appeal.

Monte Carlo is a registered trademark by Monaco Brands

Overseas model shown

Comfort is your CoDriver

Decorative elements

The all-new Fabia Monte Carlo's dashboard, decorated with chrome details to the air vents, contrasting red highlights and carbon effect treatments, combine aesthetics with perfect functionality.

Monte Carlo is a registered trademark by Monaco Brands

Roominess

The spacious interior offers ample knee and headroom as well as luggage space, and is comparable to vehicles a category above the Monte Carlo.

Overseas model shown

Pedal covers

The stylish interior is complemented by sports pedal covers in alloy design. The rubber facets on the pedals prevent your shoes from slipping.

Monte Carlo is a registered trademark by Monaco Brands

Comfort and style

The interior features sports comfort front seats with side bolsters and integrated head rests, which provides maximum driving comfort. The premium fabric upholstery in black with red and grey stripes is complemented by the black roof lining

Wireless Connectivity

Fabia featuring Wireless Apple CarPlay® & Android Auto™+

Combining our smart car with your smartphone was always going to be a good idea. Fabia featuring wireless Apple CarPlay® & Android Auto™ seamlessly connects compatible apps from your smartphone to your Škoda. So, whether you want to listen to music or receive turn-by-turn directions, you can do it all without touching your phone.

+ Fabia Monte Carlo featuring SmartLink wireless Apple CarPlay® and Android Auto™ is compatible with the latest versions of iOS and Android, active data service required, optional connection cable (sold separately).

Wireless charging / USB-C connectivity

The Fabia Monte Carlo comes with an enlarged storage cubby with an integrated wireless charging pad for convenient, wire-free charging of your smartphone whilst driving. This compartment is not only easily accessible, but is also suitable for large display devices. Two USB-C ports located in the centre console allow you to connect your external devices without the need for dongles or adapters.

Virtual Cockpit

With its 10.25" display, the Virtual Cockpit (digital instrument panel) offers all key vehicle and systems based information, including navigation guidance and safety system data in stunning clarity. Driver's can also customise the display to suit their preference by selecting from one of five different layouts via controls on the multi-functional sports steering wheel.

Virtual surround sound

Enjoy absolute clarity whether it is music or the spoken word. The Fabia Monte Carlo is equipped with six speakers to enhance your driving experience with virtual surround sound.

Comfort in the back

USB-C outlets are provided in the front and rear of the cabin for easy and convenient access to all passenger's.

Sporty Interior

The interior decorated with red metallic details and carbon décor confidently parades its sporty style without losing any of its practicality.

The aluminium inlays with Fabia inscriptions provide a premium touch.

Be a Genius, or Find Some in Every Corner

A place for everything and everything in its place. The Fabia Monte Carlo is loaded with Simply Clever features that pop up all around the car, providing even more practicality.

Umbrella in door

An ingenious compartment integrated into the driver's door is designed to let water, retained from wet umbrella's, to drain away from the car. An original complimentary Škoda umbrella is also provided.

Ticket holder

The simply clever ticket holder is the perfect solution for clearly displaying your parking ticket and ensuring it is not lost.

Double-sided luggage mat

A multi-purpose protective layer for the luggage space, choose from the elegant fabric side up for everyday use or easily switch over to the washable rubber side when transporting items likely to cause a mess.

Luggage Compartment

It's always better to have your things in order. Whether it is at your home or in your car. That can easily be achieved in the all-new Fabia Monte Carlo. Thanks to its generous luggage capacity and simply clever solutions, you can rest assured everything will stay in the right place.

Luggage hooks

You'll be hooked as soon as you use them. Whether it's a shopping trip or a trip away, these handy hooks are great for hanging bags from and creating more space.

Net system

One horizontal and two vertical nets increase the flexibility of the luggage space while firmly securing objects and loose items.

Boot capacity

The luggage compartment with a basic volume of 380 litres can be extended up to 1,190 litres by folding down the rear seats.

Safety at your Fingertips

The Fabia Monte Carlo's comprehensive advanced safety assistance system will ensure you feel safe and comfortable no matter where you drive.

Adaptive Cruise Control¹

Using the radar device situated in the front grille, this enhanced cruise control system, which operates up to speeds of 210 km/h, regulates the vehicles set speed according to the vehicle ahead and maintains a safe gap based on the selected distance parameter.

¹ Safety technologies are designed to assist the driver, but should not be used as substitute for safe driving practices.

Lane Assist¹

Lane Assist helps to keep the Fabia Monte Carlo inside the lane in which it is travelling. Using the windshield camera, the system can detect unintended lane changes, providing a visual warning and applying active steering correction to adjust the vehicles position back within the lane, to prevent a collision.

¹ Safety technologies are designed to assist the driver, but should not be used as substitute for safe driving practices.

Additional Experts on Board

You can encounter various things on the road. To ensure that the car is ready to handle all situations that may occur on route, additional assistance with multiple functions are on hand to help or fill in for the driver.

Park Assist¹

Minimise the hassle of parking in tight spots with Park Assist. This feature utilises the front and rear parking sensors to scan the desired parking space (parallel and perpendicular) before automatically parking the vehicle for you.

Park Assist available as an optional extra.

¹ Safety technologies are designed to assist the driver, but should not be used as substitute for safe driving practices.

Side Assist¹

Using radar sensors in the rear bumper, Side Assist monitors the area beside and behind your car to detect other vehicles and cyclists up to 70m away. Upon entry of the detection zone, the system provides a visual alert to warn the driver of a potentially hazardous situation.

Rear Traffic Alert¹

Utilising the same rear bumper integrated sensors of the Side Assist system, the Rear Traffic Alert function helps you reverse safely from parking spaces with poor visibility by scanning for objects approaching the rear. Upon detection, an acoustic alert is issued, and if required to avoid collision, the brakes applied thanks to the Manoeuvre Braking Assist feature.

¹ Safety technologies are designed to assist the driver, but should not be used as substitute for safe driving practices.

Power to the People

The 110TSI engine in the Fabia Monte Carlo offers outstanding performance without compromising on comfort or the environment.

Convenience key

With the convenience key, you can lock/unlock your car and start or stop the engine without the need of physically touching your key. Now that is convenience.

Engine

The Fabia Monte Carlo comes equipped with the potent 1.5L 110TSI engine coupled with a 7-speed DSG, delivering exceptional performance with seamless transition between gears, whilst also achieving great fuel economy.

Transmission	7 speed Direct Shift Gearbox (DSG)
Driven Wheels	Front wheel drive
Performance†	
0 – 100 km/h (seconds)	7.9
Fuel consumption**	
Combined (L/100km)	5.3
Urban (L/100km)	6.5
Extra Urban (L/100km)	4.5
CO ₂ emission (g/km)	119
Fuel tank capacity (L)	40
Brakes	
Front	Ventilated disc
Rear	Solid disc
System	Hydraulic diagonal dual-circuit braking system, vacuum brake booster
Steering	
Type	Direct rack and pinion steering with electro-mechanic power steering
Turning Circle (m)	10.7
Suspension	
Front	MacPherson strut with lower triangular links and torsion stabiliser
Rear	Compound link crank-axle
Weight	
Tare Mass (kg)	1265
Roof load limit (kg)	75

† Please note figures are sourced from overseas data where equipment levels by model variant may vary.

*The Start/Stop system is designed to reduce fuel consumption and CO₂ emissions. It achieves this by automatically switching off the engine while the vehicle is stationary and then starting it again automatically when the driver wants to drive off. There are certain operating conditions where the Start/Stop system is deactivated (e.g. during engine warm-up), please refer to the owner's manual for full operating information.

**Fuel consumption figures according to ADR 81/02 derived from laboratory testing. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted, will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

Welcome to Care-Free Ownership

Škoda Care is about making sure that same level of attention to detail remains long after you've made your purchase, making owning a Škoda as fantastic as buying one.

7 YEAR WARRANTY[^] UNLIMITED KM

After getting behind the wheel of a Škoda, it's not hard to see why they're so beloved by their owners. Quite simply, Škoda vehicles are made to be driven and we want to keep your journey a long and happy one. And the way it works is simple. Škoda Australia provides a 7 Year/Unlimited Kilometre Warranty[^] on all new vehicles. Every new Škoda vehicle includes one year Škoda Assist[±] (Roadside Assistance), from the warranty start date. To thank you for your loyalty, complimentary Service Initiated Roadside Assistance (SIRA for short) will be activated if the vehicle is returned to an authorised Škoda Dealer for scheduled service, as per the Škoda Service Schedule milestones. For more information and eligibility, please visit www.skoda.com.au/owners/roadside-assistance

Škoda Service Pricing

No hidden expenses, no nasty surprises. Škoda Service Pricing applies to the first 6 scheduled services for your Škoda, occurring every 12 months/15,000 km (whichever occurs first).*

Genuine Parts

You don't have to be a genius (AKA a Škoda technician) to know that non-genuine parts aren't as good as using genuine ones. Our philosophy towards fixing your car is simple; the parts we use are identical to the parts used in the production of your car originally. Genuinely. And with a nationwide, two year, unlimited kilometre warranty[^] on all genuine parts, peace of mind comes easily too.

Service Packs

Why worry about handling payment of your services on an ad-hoc basis when you already know you need to get them annually? Conveniently, you can save time by pre-paying your servicing with a 7 Year/105,000km (whichever occurs first) or a 5 year/75,000kms (whichever occurs first) Škoda Service Pack at any of our Škoda dealers. That way you can simply book a service time that suits you, and the costs are already covered. your car, serviced at your convenience.

[^]Conditions and exclusions apply, see www.skoda.com.au/owners/warranty. Your rights under this warranty are provided in addition to, and in some cases overlap with, consumer guarantees under the Australian Consumer Law and do not limit or replace them. [±]Škoda Assist (Roadside Assistance) Conditions and exclusions apply, see <https://www.skoda.com.au/own/roadside-assistance>. *Škoda Service Pricing is current as at the date the customer obtains a price from the Škoda Service Price Calculator or from a participating authorised Škoda Dealer and is subject to change without notice. Customers are advised to confirm current pricing on the Škoda Service Pricing Calculator or with an authorised Škoda Dealer on the day of each Scheduled Service. Škoda Service Pricing is available at participating Škoda dealers on Fabia, Yeti, Octavia, Rapid, Scala, Kamiq, Roomster, Superb, Karoq and Kodiaq models first sold by an authorised Škoda dealer on or after 1st July 2015. Škoda Service Pricing applies to the cost of standard items in each of the first 6 standard scheduled services of your vehicle which are scheduled to occur at every 15,000 km/12 month interval (whichever occurs first). Exclusions and conditions apply. For details on pricing, items not included in the Service Price and for full terms and conditions click here. Škoda Australia reserves the right to at any time modify or discontinue the Škoda Service Pricing program. [^]Please check your engine code in your service or owner manual (if you have already purchased the vehicle) or confirm your engine code with your Škoda dealer prior to vehicle purchase (if you have not yet purchased the vehicle). Škoda Service Packs are available from authorised Škoda Dealers or online from Škoda Australia official website, for all models and covers standard items as contained in each scheduled service interval only. The New Car Service Packs can only be purchased prior to the first scheduled service and up to 15,000 km/12 months (whichever occurs first). The timeframe takes effect from when the vehicle is first reported in our system as 'sold'. The Used Car Service Packs can be purchased after the first 15,000 km/12 months scheduled service. The Top-up Service packs can be purchased based on the eligibility criteria as detailed in the terms and conditions. Discount structure varies by model. For details of what is not included in a scheduled service, please refer to the program terms and conditions available here. #For more information and eligibility, please visit <https://www.skoda.com.au/promotions/promotion-detail/service-maintenance-subscription-plan>.

Remove Any Doubt with Škoda Choice.

Škoda Choice[±] is a flexible finance program that allows you to guarantee your vehicle's minimum future value[±] at the time of purchase, giving you peace of mind knowing the value of your Škoda is secured.

- ✓ Freedom to tailor your contract term and kilometre allowance to suit your lifestyle.
- ✓ Fixed interest rate for the life of your Loan with no account keeping fees.
- ✓ At the end of your Škoda Choice contract you can select from three simply clever options – trade-in, retain or return.
- ✓ Opportunity to upgrade your Škoda more often, enjoying the latest model with the best innovations and technology.

How it works

- Step 1** Choose your favourite Škoda model.
- Step 2** Choose your preferred term* of 12, 24, 36, 48 or 60 months, and an annual km allowance.
- Step 3** At the end of your chosen term, select from one of the three end of term options:

Trade in

If you wish to trade-in your Škoda for a new vehicle, all you need to do is return it to the dealership. If the trade-in value is higher than the Guaranteed Future Value[±], you can use this equity towards your new vehicle.

Retain

If you prefer to retain your Škoda, simply let us know. Provided that you also meet the relevant payment obligations under your contract, you can purchase your vehicle outright for the Guaranteed Future Value amount locked in at the start of the contract[±]. Then your Škoda is yours to keep. Or you can choose to refinance your balloon at the end of the term.

Return

All you need to do is hand your car back and, if the vehicle meets the agreed kilometre and fair wear and tear requirements[±], you will have no more to pay.

For more information on our Guaranteed Future Value program, visit <https://www.skoda.com.au/finance/skoda-choice>

[±]Škoda Choice has a Guaranteed Future Value (GFV) which is the minimum value of your vehicle at the end of your finance contract as determined by Škoda Financial Services (SFS) ABN 20 097 071 460, Australian Credit Licence 389 344. If you decide to return your vehicle to SFS at the end of your term, SFS will pay you the agreed GFV, which will be put against your final payment subject to fair wear and tear conditions and agreed kilometres being met. At the end of your term, you can elect to (1) trade-in; (2) return; or (3) retain the vehicle by paying the GFV owed to SFS at the end of the loan term after all repayments have been made. You will be liable for any loan contract deficit and additional charges apply if you exceed the nominated kilometre allowance and/or the vehicle is not in an acceptable condition. Available on new, demonstrator and Certified Pre-owned Škoda vehicles. To see if this product is right for you, please see our Target Market Determination on our website and/or seek independent advice. *Subject to a credit assessment and SFS lending criteria. Fleet, government, rental and used car buyers, hire car and chauffeur companies excluded.
